Administrative Action

MARK S. HIRSCH, D.D.S.

ORDER

To Practice Dentistry in the :
State of New Jersey :

This matter was opened to the New Jersey State Board of Dentistry ("Board") on July 8, 1992, upon a motion filed by Respondent, Mark S. Hirsch, D.D.S. seeking a modification of paragraph 1 of the Final Decision and Order entered by the Board on June 3, 1992 which provided that Respondent's license to practice dentistry in the State of New Jersey be revoked effective July 1, 1992. In his moving papers, respondent requests a stay of the effective date of the revocation of his license for a period of 60 days in order to provide him with an opportunity to finalize the sale of his dental practice located at 3 Grace Drive, Old Bridge, New Jersey. By letter dated July 2, 1992 the Attorney General filed a response to the motion not opposing the extension of 60 days as a maximum as long as an order is entered prohibiting Dr. Hirsch from engaging in the practice of dentistry as defined in N.J.S.A. 45:6-19 with the sole exception of ownership of the practice for an additional 60 days. The Board further considered the letter dated July 16, 1992 from counsel for Respondent in response to the Attorney General's Letter dated July 2,

1992. The Board considering all the documents filed with respect to this motion and finding good cause exists.

IT IS ON THIS ^{1st} DAY OF Aug, 1992 ORDERED that the Final Decision and Order in this matter filed with the Board on June 8, 1992 shall be amended as follows:

1. The license of respondent Mark S. Hirsch, D.D.S. to practice dentistry in the State of New Jersey shall be and is hereby revoked effective July 8, 1992. The revocation of his license shall be stayed only to the limited effect that he may continue to own the practice up until September 8, 1992 to give him time to sell or divest himself of any proprietary interest in the dental practice. No further extensions of time shall be granted

2. Effective July 8, 1992, Respondent shall not be physically present on the premises where the dental practice is located.

3. Effective July 8, 1992, Respondent shall not provide any dental services to any patients.

4. Effective July 8, 1992 respondent shall immediately advise all his patients by letter that he is no longer practicing dentistry.

5. During the limited stay of the revocation of Respondent's license as provided for in this order, if a prospective buyer is treating any patients of Respondent, Respondent shall not receive any financial remuneration either directly or indirectly.

6. The Board shall not entertain any petition for reinstatement of the license to practice dentistry of respondent prior to five (5) years from September 8, 1992.

7. All other provisions of the Final Decision and Order which are not inconsistent with this order shall continue in full force and effect.
